NIMITZ'S PRINCIPAL CARLOS O. CLAYTON

Nimitz is fortunate in having a man of Mr. Carlos Clayton's experience and character as principal. His enthusiasm, advice, and consideration keep Nimitz running smoothly and increases his popularity with both students and faculty.

Because this dedicated principal willingly and wisely gives of his time, wisdom, and everyday guidance, Nimitz is recognized for its fine students and high standards of achievement.

Mr. Clayton gives instructions to student office assistant, Cindy Weinheimer.

This is Mr. Clayton's third year at Nimitz. He also served Cleveland Junior High for three years as principal, and was assistant principal at Madison Junior High for six years. At Hamilton Junior High, he was the 7th and 8th grade counselor and social studies teacher. He was a physical education teacher and football coach at Webster High and Bell Junior High. He received a B.S. from Northeastern State College and a M.S. from Oklahoma State University. He is doing additional graduate work at the University of Tulsa.

Mr. Clayton is an avid golfer and enjoys sports of all kinds.

Mr. Clayton hosts the P.T.A. executive committee luncheon.

Mr. Robert (Bob) Averill has been the assistant principal for the last three years. He was a teacher and counselor at Cleveland Junior High, and he was assistant principal at Wilson Junior High. He holds degrees from Northeastern State College and Tulsa University. His graduate work is in the fields of speech therapy, counseling, and administration. Among Mr. Averill's hobbies are playing bridge and traveling. He sponsors the K-Club, a school service organization at Nimitz.

The Student Council is an organization composed of a representative elected from each homeroom and of officers elected by the student body. The Student Council sponsors most school activities, strives to promote school spirit, builds better faculty-student relationships, works for the betterment of the school, and practices democratic procedures. This year has proved to be a successful one for the Nimitz Student Council.

The Red Cross is a community service organization at Nimitz. Each homeroom elects a delegate to this organization. This year has been an active one with an enrollment drive, Christmas stockings, canned milk drive and our continuing project of supporting an orphan in Japan

MATH CLUB

Chi Alpha Mu is a national honorary society opened to all interested junior high school students who have shown a desire for knowledge of the language of all sciences - mathematics. As each new discovery is made in

science, new math has to be invented to record and tell it. "The Nimitz Matheletes" was one of the first junior high math clubs to be organized nationally.

The Latin Club of Nimitz Junior High School is affiliated with the National Junior Classical League, and, as such, tries to promote an interest in the classics, Roman history, and the Latin Language itself. The purpose of the Nimitz Junior High School Latin Club is to prepare the students for advanced Latin Club activities and to stimulate an interest in the Roman heritage.

FRENCH CLUB

The aims of the French Club are to create an interest in the culture and customs of France and to provide students with an opportunity to use their French in practice situations. These goals are accomplished by means of guest speakers and special projects. This year's project involves dining in an authentic French restaurant. Membership in the club is open to all students enrolled in French.

All students enrolled in Spanish may be active or associate members of the Spanish Club.

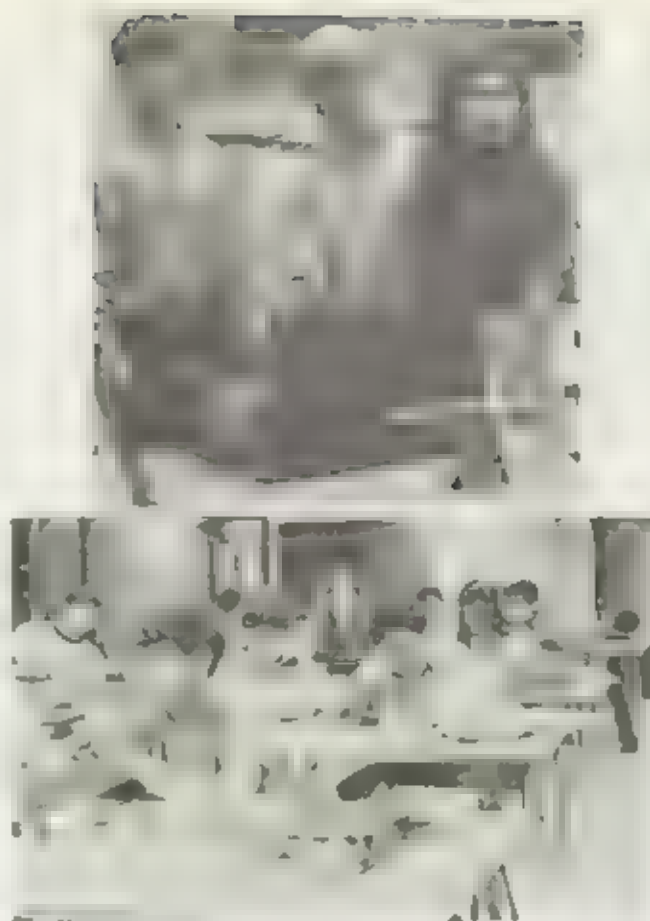

The purpose of the club is to increase our knowledge of the language, arts, and customs of the Spanish-speaking countries.

Programs this year have included movie cartoons in Spanish, Mexican folk dances, and making piñatas for the migrant children in Bixby.

The highlight of the year is the Mexican dinner held at one of Tulsa's Mexican restaurants.

ECONAUTS is the name of the Nimitz science club; the name was chosen because of the members' concern with ecology. The beginning of the word "ecology" was combined with the ending of the word "astronauts"-who are our most advanced scientists. Any student may become a member, but he must attend all the meetings. This year the group took a trip to the Children's Medical Center and have had a number of interesting scientific films shown at the meetings.

MRS. MARY HOLLEY

TEACHER OF THE YEAR

Patient, congenial, fair, honest, sincere, and an exceptional teacher these are ways the students describe Mrs. Mary Holley, "Teacher of the Year." Mrs. Holley exemplifies the qualities of a master teacher and sets an example for both colleagues and students. She has earned the respect and admiration of all who know her. Her teaching experiences range from junior high through college. At the present time she is teaching eighth grade English, Latin, and creative writing.

After school hours Mrs. Holley becomes a full-time mother and wife. She cherishes the time she spends with her husband, Ron, and five year old son, Regan. Although Mrs. Holley enjoys sports primarily as a spectator, she is occasionally asked to play football with Ron and Regan, but ONLY if they can't find anyone else to fill in. Regan says she's "not very good." They also spend much time caring for and training their three dogs, Kelly, a German shepherd, and Miss B and Bitsy, both poodles.

Mrs. Holley's hobbies include doing needlework, making samplers, knitting, reading and doing club work.

Her outstanding teaching ability, her vast knowledge of subject material, her personal interest in students and faculty members, and her warm personality, make the perfect combination for the "Teacher of the Year" - - - Mrs. Mary Holley.

At home with her husband Ron and four year old son, Regan

PEP CLUB OFFICERS Julie Shade, President; Blyth Imel, Secretary; Janet McCoy, Vice-president

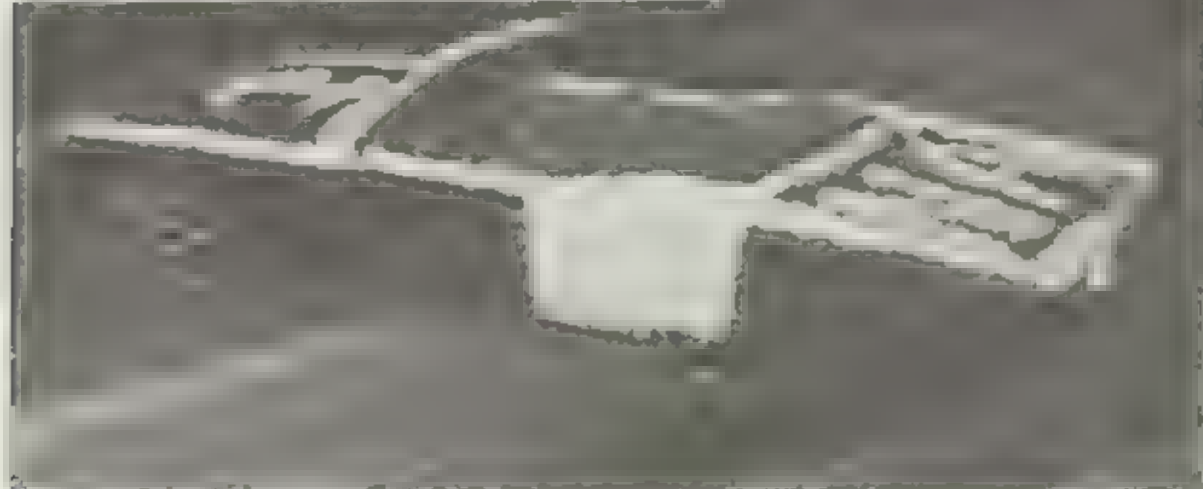

The Nimitz Pep Club's main goal is to bring enthusiasm and spirit to the school's sporting events. Any girl at Nimitz is eligible to join the Pep Club. Before being an officer or trying out for cheerleader, members must meet certain rules and requirements. The Pep Club uniform of navy blue and white helps to signify the name "Admirals." Through the year there are meetings, pep rallies, Homecoming and a dance. The Pep Club also helps boost spirit with the sale of spirit ribbons and the placing of spirit posters. The Pep Club's loyalty and spirit at games contributed to many Admiral victories.
